

Planning Seminar 28th February 2006

Planning and the AONB – Sustaining the Landscape

Aims

At the end of the day participants should have a greater understanding of landscape character assessment, and appreciate the distinction between landscape character types and areas.

You should be able to appreciate the importance of key characteristics and to relate these to policies and sites.

It will give you the opportunity to become better acquainted with the Cranborne Chase & West Wiltshire Downs AONB Landscape Character Map.

The Seminar will include undertaking character assessments and relating landscape characteristics to development proposals.
