

Annual Planning and Transportation Seminar 2013

‘Helping us put the pieces together’

Influencing the Planning & Transportation Aspects of the AONB Management Plan 2014 - 2019

Tuesday 15th October 2013

Village Hall, Common Road, Sixpenny Handley SP5 5NJ
9.30 for 10.00 start

The 2013 Seminar covered the following broad topics - please see the documents below for further details:

- **AONBs; what are they and what is their significance**
- **The role of the AONB Management Plan; its significance, functions, and layout.**
- **Group Work 1: Key Planning and Transportation issues and identifying examples. Spotting issues not covered in the AONB Management Plan. Feedback.**
- **Presentation: natural and human communities in AONBs**
- **Group Work 2: Planning and Transportation policy matters to be covered in the AONB Management Plan.**
- **Group Work 3: Case Study, a major estate diversification proposal. How would it be handled differently within the AONB and outside.**
- **Group Work 4: AONB Objectives and Policies; how effective would they be for working within the AONB and for our Local and Highways Authorities.**
- **Concluding plenary session: Responding to the consultation AONB Management Plan**
